

# Curiosity Passport

Engineers are curious about the world around them. Take this Curiosity Passport with you on your next STEM adventure. Perhaps you can visit a museum, science festival, or explore the ingenious inventions around your home or school.

## 1. DRAW AN INVENTION THAT SPARKED YOUR CURIOSITY.

Don't forget to label your diagram.

## 2. EXPLORE HOW THIS INVENTION WAS MADE.

Write your answer here.

## 3. PLACES I HAVE VISITED...

Include stamps, stickers or tickets from places you have visited.
