

Additional Data Privacy Terms Annex for Building X offerings

Annex I to DPT (and, where applicable, the Standard Contractual Clauses)

Description of the Processing Operations

This Annex contains a specific description of the processing operations (including, but not limited to, the subject-matter of the processing, the nature and purpose of the processing, the type of personal data and categories of data subjects) for the Offering Building X. It prevails over any deviating description contained in the Agreement.

Under the collective term Building X following products, solutions and services (“Offerings”) are summarized: Energy Manager, Operations Manager, 360° Viewer, Operations API, Security Manager and Analytics Data & Studio.

A. LIST OF PARTIES

Customer (and, where the Standard Contractual Clauses apply, data exporter):

Name, address and contact person’s name, position and contact details: Name and address of the Customer as well as contact details of a contact person are contained in the Agreement and/or collected as part of the Customer onboarding process.

Role (Controller/Processor): Customer acts as Controller for the processing activities provided by Siemens vis-à-vis Customer and, as the case may be, as Processor under the instructions of its Further Processors for Processing activities provided by Siemens vis-à-such Further Controllers.

Provider (and, where the Standard Contractual Clauses apply, data importer):

Name, address and contact person’s name, position and contact details: The provider / data importer providing the Processing services hereunder is the Siemens company specified in the Agreement. Point of contact for data privacy inquiries is the Office of the Siemens Data Protection Officer, Werner-von-Siemens-Straße 1, 80333 Munich, Germany, E-Mail: dataprotection@siemens.com.

Role (Controller/Processor): Siemens acts as Processor Processing Personal Data on behalf of Customer and, as the case may be, Customer’s Further Controllers.

B. DESCRIPTION OF TRANSFER / PROCESSING OPERATIONS

Categories of data subjects whose Personal Data is transferred/Processed

- Building X user accounts,
- Other individuals whose Personal Data is stored in the Offering and/or is Processed in the context of providing the Offerings.

Categories of personal data transferred

The Personal Data transferred/Processed concern the following categories of Personal Data:

- Contact information, such as full name, telephone number, email address, physical address
- Identifying information, such as username, email address, unique identifier
- Location information, such as door access
- Where applicable further Personal Data as determined by Customer and its Further Controller by uploading or connecting it to the Offerings or otherwise granting access to it via the Offerings.

Sensitive data transferred (if applicable)

The Offerings are not intended for the processing of Sensitive Personal Data and Customer and its Further Controllers shall not transfer, directly or indirectly, any such Sensitive Personal Data to Siemens.

The frequency of the transfer (e.g. whether the data is transferred on a one-off or continuous basis)

Siemens hosts Personal Data on behalf of Customer and, as the case may be, Further Controllers.

Nature of the processing and purpose(s) of the data transfer and further processing

Siemens and its Subprocessors will process Personal Data to provide the Offerings, including:

- Internet accessible or similar Offerings made available and hosted by Siemens (“Cloud offerings”)

The period for which the personal data will be retained, or, if that is not possible, the criteria used to determine that period

The Personal Data will be retained for the period of the Agreement. Customer has the ability to rectify, erase or restrict the Processing of Personal Data via the functionalities of the services, or (ii) Siemens rectifies, erases or restricts the Processing of Personal Data as instructed by Customer.

For transfers to (sub-) processors, also specify subject matter, nature and duration of the processing

The subject matter, nature and duration of the processing are specified per Subprocessor in Annex III.

COMPETENT SUPERVISORY AUTHORITY

For Customers located in the European Union, the supervisory authority responsible for the Customer shall act as competent supervisory authority.

A list of the supervisory authorities in the EU is available here: https://ec.europa.eu/justice/article-29/structure/data-protection-authorities/index_en.htm

Annex II to DPT (and, where applicable, the Standard Contractual Clauses)

Technical and organisational measures

The description of the technical and organizational measures (TOMs) for the Building X Offering implemented by Siemens and its Subprocessors to protect Siemens’ and Subprocessors’ IT-systems and applications is contained in Annex II of the Data Privacy Terms document available at www.siemens.com/dpt.

Annex III to DPT (and, where applicable, the Standard Contractual Clauses)

List of approved Subprocessors
