

## Our history in Luxembourg

From the first independent commercial representative to a global technology powerhouse

---

### 1879

Wisse, Piccaluga & Co., 's-Gravenhage (The Hague), becomes Siemens & Halske's (S&H) first agent in Luxembourg. It also represents S&H in the Netherlands

### 1890

After an S&H branch is established in 's-Gravenhage (The Hague), Bartels & Haager becomes S&H's agent in Luxembourg

### 1893

The Société Anonyme Luxembourgeoise d'Electricité is founded, in which S&H has a majority stake

### 1893

Dynamo machines are supplied for the Ettelbrück hydroelectric power plant

### 1908

The Société Anonyme Luxembourgeoise d'Electricité is liquidated; a sub-office of the Rheinische SSW GmbH, Mannheim, now takes over as representative for the Grand Duchy of Luxembourg

### 1910

The sub-office is entered in the Luxembourg Commercial Register

### 1912

The Technical Bureau Metz becomes the representative for heavy-current business in Luxembourg

### 1920

An independent SSW subsidiary is founded in Luxembourg

### 1923

The Centrale d'Electricité et de Constructions SA is founded to represent the whole company in Luxembourg and Belgium

### 1926

A sub-office is founded in Luxembourg

### 1950

Business is resumed in Luxembourg and Belgium with the founding of the Société Nouvelle Siemens SA.

### 1960

The company is renamed SA Siemens N.V.; in 1969 it becomes Siemens S.A./N.V.
